PROFESSIONAL EXPERIENCE

SENIOR FRONTEND DEVELOPER

2023 – Present

College Loan Corporation - Las Vegas, NV

- Designed and developed 30+ CSHTML templates, enhancing user engagement with jQuery-based events.
- Collaborated with engineers to ensure ADA compliance (WCAG2 and WCAG3) across 2,000+ pages.
- Spearheaded platform optimization by replacing NPM/Gulp with Webpack/PNPM, reducing build time by 30%.
- Innovated scholarship listing displays, providing users with richer, more informative content.

FRONTEND DEVELOPER

2022 – 2023

HomeLister, Inc – Los Angeles, CA

- Collaboratively developed a design system with 300+ features, streamlining codebase and developer experience.
- Executed efficient MongoDB to Postgres data migrations using Prisma Schemas.
- Transformed Figma designs into reusable React components, ensuring code efficiency and maintainability.
- Personalized client experiences with Google Geocoding API integration, optimizing service delivery and ad placements.

FRONTEND DEVELOPER

2020 – 2022

Estrada Premier Printing - Las Vegas, NV

- Engineered a comprehensive React-based admin dashboard, enhancing data accuracy and security with Express server APIs and MongoDB.
- Seamlessly integrated Cloudinary for efficient media transformation and customer asset management in admin dashboard.
- Developed efficient Node.js REST endpoints for automated pricing calculations, optimizing processing time.

SYSTEMS ANALYST

2018 – 2021

Zappos Inc - Las Vegas, NV

- Automated financial operations using Python scripts (Pandas, Numpy), streamlining accounting processes.
- Led data-driven financial strategy by analyzing trends using Python and SQL, guiding leadership in critical decision-making.
- Optimized Inventory Management by refactoring and enhancing 20+ ETL scripts for precise shipment and return tracking, bolstering inventory accuracy at the SDF9 and SDF4 fulfillment centers.
- Mentored interns on finance processes and software best practices, fostering knowledge sharing within the team.

EDUCATION

Computer Science – B.S | University of Nevada - Las Vegas ; **Accounting – B.S** | Grand Canyon University
